AN **EIGHT WEIGHT** SANS SERIF FONT FAMILY

Thank you so much for purchasing a license
for **“Essential Sans!”**

I hope you enjoy the versatility of this font. It’s great for anything
from bold or delicate logos, to body copy that blends right in.

*Keep in mind that the Variable weight of Essential Sans only
works in Adobe programs and [a few others](#) (not Canva).*

I highly recommend pairing this font with [“Editor’s Note”](#) or
[“Perfectly Nineties”](#) (the serifs you see in
many of the font promo images).

You can also get my [Font Pairing Guide](#) for free [here](#)!

Thank you!
